PRESIDENT'S REPORT — 2011 AGM

To members and any guests present.

2010 has been a challenging and rewarding year:

1. Our new premises at Paraparaumu Library have served us well. Situated in the heart of the Kapiti Coast, the new Club rooms are modern, friendly and well designed. Our fee structure is successful and we are in a sound financial position—our fees do not need to be increased.
2. Our junior numbers are strong and the lack of coaching last year has been identified as an area for development and I'm pleased to announce that regular coaching—on a fortnight basis—will begin 9 March.
3. The Kapiti Rapid—5 September 2020—once again, was a successful regional tournament and Kapiti players displayed skill and expertise.

This Club runs on the hard work of its members and I acknowledge the contribution of

1. Rose Kingston
2. Zoe Kingston
3. David Paul
4. Mike O'Rorke
5. Chris Carr
6. Ian Liddell

We exist to serve and promote chess in Kapiti. Our future position as the only chess club in Kapiti is cemented on a strong foundation of hard working and committed members.

I commit the Club to fantastic Chess for 2011 and look forward to some great games.
