

KAPITI CHESS CLUB

President's 2016 AGM Report—02/02/2016

2015 has been very successful but marred by the death of chess stalwart Glenys Mills who helped found the Club in 1984. Her presence will be missed.

Numbers have been steady and we have returned a slight profit. A \$500 grant from Council is yet to be spent and will be useful for the maintenance and development of resources.

I commend Rose Kingston and David Paul for their sterling efforts in 2015. Rose has been the backbone of the Club helping every week bring equipment to the Library and organise tea and coffee. David has ensured we have a strong chess calendar and was instrumental in setting up the regional Rapid Tournament held in the Banana Leaf restaurant—a resounding success.

We now have an updated and vibrant new website:

www.kapitichess.club

I thank Lars for his hard vision and hard work, designing, developing and setting up this great resource. This sets us up well for the future.

We are on a good footing for 2016 and start the year by changing our Club Night to Tuesday. It's going to be a great year for chess.
